

CHARACTER Q&A:

HAMLET

A wayward prince at loggerheads with his family... Ahead of the release of his **EXPLOSIVE** autobiography later this month, Prince Hamlet sits down for an **EXCLUSIVE** tell-all interview.

HEY HAMLET! TELL US YOUR STORY IN ONE SENTENCE.

Hi guys, I'm Hamlet, a troubled prince from Denmark who seeks revenge for my father's murder, but ends up in a real pickle as I try to figure everything out.

WHO IS YOUR BEST FRIEND?

My best friend is Horatio, a wise and loyal guy who stands by me through thick and thin, even when things get really crazy.

WHO IS YOUR WORST ENEMY AND WHY?

My worst enemy is my uncle Claudius, who secretly kills my father and then marries my mother, making me question everything I know.

WHAT WAS YOUR FAVOURITE SUBJECT AT SCHOOL AND WHY?

My favorite subject at school was philosophy because I love pondering deep thoughts and exploring life's big questions, like "To be or not to be?"

WHAT'S YOUR FAVOURITE SEASON?

My favourite season is autumn because it's full of mystery and change, reflecting the ups and downs of my own life.

IF YOU COULD COMPARE YOURSELF TO ONE FAMOUS PERSON, WHO WOULD IT BE?

Edgar Allan Poe, definitely. His dark and moody writing captures the same gloomy atmosphere that surrounds me. [Sighs] It's tough being a Shakespearean prince sometimes...

TELL US A JOKE ABOUT YOURSELF.

Come on guys! Does this seem like the time for joking?! Pointedly staging plays about regicide, sure. But jokes... Not right now.

SORRY, HAMLET! WHAT'S YOUR SECRET SKILL?

Ah, no problem - all is forgiven! My secret skill is fencing actually; I'm really good with a sword, and it comes in handy during some intense moments in my story.

So that's me, Hamlet! I hope you enjoyed getting to know a little bit about my life. Remember, sometimes things can be more complex than they seem, so always think things through and trust your instincts!
